HOW IT WORKS

Your bed. Your choice.

Every design can be tailored to your room and your style. Work through these six choices with our team — we will guide you at every step.

01

Choose your design

Note the design name and its B reference from the catalogue page, so we know exactly which bed you love.

02

Choose fabric and colour

Plush velvet, crushed velvet, linen-look and more. Ask to see our swatches in the showroom.

03

Set the headboard height

Standard height is 138 cm. Go taller at 180, 200 or 230 cm, or choose a split headboard.

04

Set the footboard height

Go low for a sleek, open feel or taller for a more enclosed, hotel-style finish.

05

Choose side-rail thickness

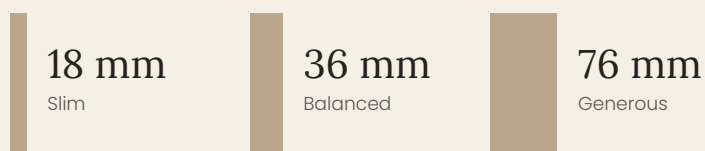

Three profiles: a slim 18 mm, a balanced 36 mm or a generous 76 mm.

06

Choose your base and storage

Steel gas-lift storage or an MDF divan ottoman box. Our divan beds (B36–B38) take 1, 2 or 4 drawers.

SIDE-RAIL PROFILES

Not sure which to pick? Bring a photo of your room to the showroom and our team will help you choose.

READY TO ORDER?

Tell us four things:

- ◆ Design name and B reference
- ◆ Bed size
- ◆ Fabric and colour
- ◆ Heights, rails and storage

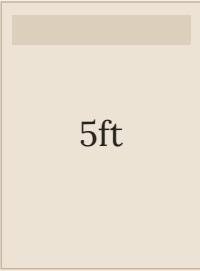

Use the order notes on page 51 to plan it.

PLANNING YOUR BED

Find the right fit.

Start with the mattress size, then choose the storage that works for your room. All sizes below are standard UK mattress sizes; the frame itself is slightly larger.

UK BED SIZES

				
3ft	4ft	4ft 6in	5ft	6ft
Single 90 × 190 cm	Small double 120 × 190 cm	Double 135 × 190 cm	King 150 × 200 cm	Super king 180 × 200 cm

Width × length in centimetres. Measure your room and allow walking space around the bed — around 60 cm is a comfortable guide.

STORAGE & UPGRADES

◆ Steel gas-lift storage

The mattress platform lifts on a steel gas-lift frame to reveal storage across the whole base. Ideal for bedding, cases and out-of-season clothes.

Add £100

◆ MDF divan ottoman box

A solid MDF storage box built into the base, with a lift-up platform and fully enclosed compartments.

Add £150

◆ Divan drawers

For our divan beds B36–B38 only. Drawers built into the divan base open from the long sides — ideal where a lifting lid would be awkward.

1 drawer £40 · 2 drawers £70 · 4 drawers £140

◆ Headboard height

Every bed comes with a 138 cm headboard as standard. Go taller for extra drama, or choose a split headboard.

180 cm £150 · 200 cm £200 · 230 cm £300 · Split £100

FINISHES

The feel of quality.

Every design is available in different fabrics and colours. Here are some of the finishes you will see in this catalogue — ask in store to see the full swatch range.

Plush velvet

Deep, soft pile with a gentle sheen. Rich colour and a luxurious feel — pictured on our drawer divans.

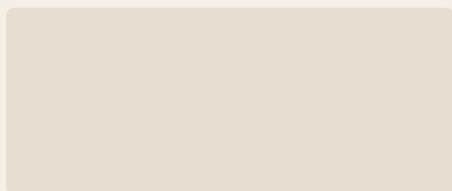

Crushed velvet

A textured, light-catching velvet with a vintage glamour, as on Chester Crushed.

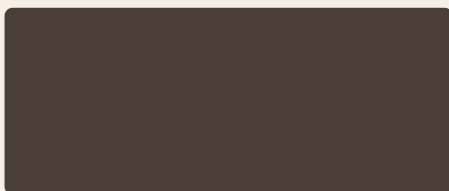

Linen-look

A natural woven texture with a relaxed, matt finish for calm, understated rooms.

Bouclé

Looped, nubby texture that feels cosy and modern on rounded designs.

Faux leather

Smooth and easy to wipe clean, with a sleek, tailored look.

Gold & brass accents

Polished trims, inlays and stud edging that add a touch of glamour.

CARING FOR YOUR BED

◆ **Brush and vacuum**

Use a soft brush or upholstery attachment regularly to lift dust and keep the pile looking fresh.

◆ **Blot, don't rub**

Treat spills straight away by blotting gently with a clean, dry cloth.

◆ **Mind the sunlight**

Strong direct sunlight can fade fabrics over time; blinds or curtains help.

◆ **Turn and air**

Air a new mattress when it arrives and rotate it regularly to keep it even.

Colours shown may vary with lighting and screen settings. Swatch colours above are indicative only.

SLEEP WELL

The perfect partner for your new bed.

A beautiful frame deserves a mattress to match. Our five mattresses range from fresh, simple pocket-sprung comfort to deep, layered pillow-tops. Compare them below, then try them for yourself in our Middleton showroom.

MATTRESS	THE LOOK	CONSTRUCTION SHOWN	PAGE
Graphite Plus M01	Dark patterned pillow top	Layered filling & springs	46
Carbon M02	Silver-grey tufted quilting	Tufted, with dark piping	47
Prestige Plus M03	Ivory pillow top, taupe trim	Raised pillow-top profile	48
Zadaz 2000 M04	White patterned quilting	Pocket springs, layered	49
Zadaz 1000 M05	White dotted fabric	Pocket springs, foam border	50

CHOOSING YOUR MATTRESS

◆ Match the size

Choose the same mattress size as your bed frame — see the size guide on page 04.

◆ Pillow top or tufted?

A pillow top adds a plush comfort layer; a tufted finish feels more even and supportive.

◆ Think about how you sleep

Side sleepers often prefer a softer surface; back and front sleepers often like firmer support.

◆ Try before you buy

Visit our Middleton showroom and lie on each mattress before you decide.

Mattress interior views are based on the samples supplied. Comfort is personal — we recommend trying each mattress in store.
