WELCOME

Made in Britain, *made for you.*

Every sofa in this collection is **made in Britain** by skilled upholsterers. Nothing is sitting in a warehouse waiting for you: when you order, your sofa is cut, built and covered **by hand, just for you**, in the fabric and colour you pick.

Frames are made from **solid hardwood rails**, glued and stapled for strength. Seats sit on **zigzag springs** for lasting support, with foam cushions wrapped in soft fibre so they feel deep and inviting from day one.

Because each piece is made to order, please allow **6–8 weeks** from order to delivery. It is worth the wait: a sofa that fits your room, your style and the way you live.

CHOICE OF FABRIC

Scatter & bolster fabrics

44 patterns and plains in 21 ranges for your scatter cushions and bolsters. Keep them the same as your sofa, or add a contrast. Same price, whichever you choose.

Colours on screen and in print are a guide. Ask in store to see and feel the real swatches.

How it *works*

1

Choose

Pick your range and arrangement, then your body fabric and scatter cushions. Sets save you 5%.

2

We make it in Britain

Your sofa is built by hand to your order: frame, springs, cushions and cover.

3

Delivered in 6–8 weeks

We let you know when it is ready and arrange delivery to your home.

Good to know

- All sofas are made to order, so please check your measurements and doorways before ordering.
- Sizes are approximate and can vary by 2.5–3 cm.
- Split 4 seaters come in two parts for easy access through narrow halls and stairs.
- Every sofa is finished by hand, so small variations are part of its character.

Caring for your sofa

- Plump and turn the cushions regularly to keep their shape.
- Keep out of strong direct sunlight to protect the colour.
- Vacuum gently with a soft brush and blot spills straight away.
- Keep away from radiators and open fires.

Buy as a set and save 5%

Most ranges come in ready-made sets, such as a 3 + 2 seater or a sofa with a matching armchair. A set costs 5% less than buying the same pieces one by one, and every piece is made together in the same fabric, so the colours match perfectly.
